

# Tween Escape Room

Thursday, July 18

2-5 p.m.

3rd - 5th grades ONLY

Did you know the astronauts left their POOP behind on the moon? They did! And it mutated into a giant poop monster that is now trying to BLOW UP THE MOON!

Can you figure out the clues and diffuse the bomb in time? Work together in groups of ten to solve the riddles.

Register each child for one of six 30-minute time slots.

**REGISTRATION REQUIRED!**

*Children under the age of 7 must be accompanied by a parent or other responsible caregiver age 13 or older. This caregiver must remain on library premises during any program or workshop.*

## Kids:

# A Universe of Stories

Registration begins

**May 28 at 9 a.m.**

The last day to turn in completed logs is

**July 28 at 5 p.m.**

Register in person or online. If you register online, you will need to come into the library to pick up a log. Kids are required to read 12 hours to complete the program.

Learn and play in this special series of STEAM programs and workshops designed specifically for children entering kindergarten to 5th grade. STEAM = Science, Technology, Engineering, Art, and Math.
